The video also shows Spencer Hight pulling out a gun from his right front waistband area in the presence of Glass. Affiant's investigation indicates the gun to be a black .380 Ruger firearm.

Affiant learns that Glass contacts via texts her co-worker, Timothy Banks (adult male), about Hight's unusual behavior. Banks arrives and contacts Hight. This is confirmed by the video from the Local Public House bar.

At approximately 1915 hours, Hight, Banks and Glass leave the patio to the parking lot. Then shortly they all return. Hight's walk continues to be unsteady and swaying. Hight leaves the bar at approximately 1937 hours. Shortly thereafter, Banks and Glass are seen looking for Hight and leave in attempt to locate him.

Affiant reviewed 911 calls. Glass called 911 at 2003 hours. At 2008 hours, was the first 911 call of multiple shots fired in the area. ME's Office indicate the time of death of Hight to be 2011 hours.

Affiant learned Banks provided text messages between him and Glass to Officer Fisher on the night of the multiple Homicide Investigation and Officer Involved Shooting. These texts were later provided to Detective Epperson. Affiant reviewed said texts that took place at approximately 1900 hours:

- Glass states – Spencer has a big knife on the bar and is spinning it and just asked for his tab and said I have to go do some dirty work
- Glass states – Psychoooooo
- Glass states – He's drunk and being weird
- Glass states – He just keeps saying he has to put someone in his place
- Glass states – He was here earlier had 2 gins and he only had 2 beers and a shot when he came back I think he was at another bar while he was gone

On September 11, 2017 Detective Epperson interviewed Banks at the Plano Police Department Headquarters. Banks confirmed he was contacted by Glass about Hight. He arrived at the bar to find Hight intoxicated. Hight told Banks he needed to be extremely intoxicated to do what he has plans to do. Banks again stated to Detective Epperson he believed Hight to be intoxicated. He confirmed after locating Spencer at the 1712 W. Spring Creek address, Glass called 911.

On September 13, 2017, Detective Busby and Detective Hoffman interviewed Glass at the Plano Police Department Headquarters. Glass admits to serving Hight on (2) occasions 09/10/17. Glass could tell something was wrong. Glass stated that Hight had to put someone in his or her place. When asked if Hight was a heavy drinker, Glass declined to answer but stated she did not see him drunk a lot.

Affiant reviewed the 911 call made by Glass. Glass states to dispatcher that she has a friend in danger. He has a gun and knife while trying to get in the house.

Agent Legg with TABC confirmed for Affiant that Glass was trained and certified to identify and avoid the sale of alcoholic beverages to intoxicated customers. Glass obtained her first certification approved by TABC on 08/17/13. Her second certification expired on 08/31/17.

Incident # 17-163591

Defendant: Glass, Lindsey Megan D.L. [REDACTED]

Race: W Sex: F DOB: [REDACTED] Height: 5-9 Weight: 170 Hair: Brown Eyes: Blue

Location or Address: 5151 Bent Tree Forest Drive, Apt: 507, Dallas, TX 75248

Offense Charged: Sale to Certain Persons – TABC 101.63(a) - MA

The undersigned Affiant, being a peace officer under the laws of Texas and being duly sworn, on oath makes the following statements: "My name is **Detective Paul Martinez**. I am a certified peace officer for the Plano Police Department assigned to CAPers Unit. I am over the age of eighteen years, I am competent, and I have never before been convicted of a felony. I have good reason to believe and do believe that in Plano, Collin County, Texas the following facts and sources of information, as set forth below, are true: (if necessary, additional pages are attached and incorporated into this affidavit)."

Affiant was assigned Lead Investigator to investigate Plano PD case: 17-163591. This investigation consisted of multiple homicides as a result of the actions of Spencer Hight. DPS Rangers worked the Officer Involved Shooting of this same investigation.

Affiant learned from the Homicide Investigation that Suspect Spencer Hight was drinking at a nearby bar prior to coming to the residence of 1712 W. Spring Creek Parkway, Plano, TX. The bar in question was Local Public House located at 2001 W. Spring Creek Parkway, Plano, Collin County, TX.

Affiant has knowledge of the facts to the case based on personal investigation, reading multiple reports, personally speaking with Agent Legg, Detective Epperson, Detective Hoffman, Detective Busby, Officer Fisher and Dr. Rohr.

On Sunday, September 10, 2017, Spencer Hight went to Local Public House bar twice prior to the mass shooting at 1712 W. Spring Creek Parkway. Affiant obtained a copy of Spencer Hight's bar receipts from Agent Legg with TABC. Receipts confirm Spencer Hight purchased:

- (2) Well Gins (first visit)
- (2) Domestic Beers and (1) Call Drink / Shot (second visit)

Affiant reviewed surveillance video from Local Public House bar obtained by Search Warrant signed by District Judge Rusch (SW401-9-12-17-PPD1). Video clearly shows Lindsey Glass (w/f [REDACTED]) serving alcohol to Spencer Hight at 1423 hours, 1439 hours, 1846 hours and 1857 hours. Spencer Hight observed in the video consuming the alcohol beverages served to him by Lindsey Glass.

The video also shows Spencer Hight's walk to be unsteady and running into tables. Hight's unsteady walk at times would consist of him crossing his legs while moving forward. Hight is observed in the presence of Glass spinning a knife on the bar. Affiant's investigation indicates the approximate size of the knife blade to be approximately 6.5 inches not including the handle.

Incident in question was on 09/10/17. Glass renewed her third certification on 09/12/17. Agent Legg stated in his report that he believed that Glass served Spencer Hight who was intoxicated which is a violation of TABC 101.63, which contributed to the deaths and serious bodily injuries.

Affiant reviewed the search warrant obtained on Hight's car. The car was used by Hight to travel to 1712 W. Spring Creek address and the Local Public House bar. No evidence of consuming alcoholic beverages were located.

Collin County Medical Examiner Dr. William Rohr advised Hight's Blood Alcohol Concentration to be at 0.333 at Death.

Affiant believes on September 10, 2017, Lindsey Megan Glass (w/f [REDACTED]) intentionally, knowingly and with criminal negligence sold alcoholic beverages to Spencer Hight (adult male) who Affiant believes was an intoxicated person. Affiant believes that Hight showed many signs and behaviors to indicate the loss of normal use of mental and physical faculties by introduction of alcohol into Hight's body. Glass sent a statement to Banks about Hight being "drunk" and Banks later agreed.
